Dear Patent Information Users,

The CEPIUG is very pleased to invite you to a seminar on "Blockchain and IP", a very popular topic that we are sure many people would like to know more about.

The seminar will be held virtually on April 20th from 14:30 to 17:00 CET (1:30 to 4:00pm BST)

The Agenda includes

1. Introduction (definition/history of blockchain)
2. Patenting blockchain
3. Searching blockchain patents
4. Patent data management through blockchain
5. Discussion

We are particularly happy to share that Nigel Clarke (Stanfield Clarke Associates / Previously head of Patent Information Research at EPO) will be among the speakers.

The link for joining the webinar will be shared to those that will send a message to secretary@cepiug.org with the title BLOCKCHAIN WEBINAR

Sent on behalf of the Organising Committee
